

'waste2weigh' - IoT dashboard

MSW and recycle waste quantification, GHG performance

W2W IoT Dashboard

Server	AWS IoT Core (Cloud)
Features	W2W IoT device data visualization
	MSW disposal performance tracking
	Recycle waste disposal performance tracking
	Monthly performance report (up to 3 months historical record)
	Email notifications
	GHG performance (ISO14064 certified)
	SMS notifications (optional)
	Recycle waste donation tracking (coming soon)
